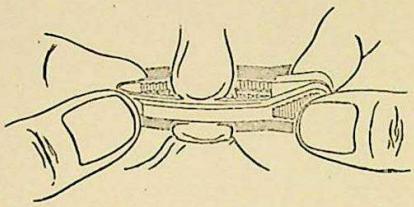
UMBILICAL CLOSURE

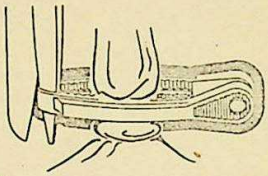
UNITED SURGICAL CO.
Division of Howmet Corporation
11775 Starkey Road, Largo, Florida 33540

UNI-CLIP CLOSES UMBILICUS AT A MUCH FASTER CLIP!

Clip! Just a squeeze with the thumb and forefinger does it. Clip it and it stays fastened. Two pins position the umbilicus to keep it from sliding into the hinge area.



Clip! Ordinary surgical scissors cut the Uni-Clip if required. No special tools needed!



Send for samples.

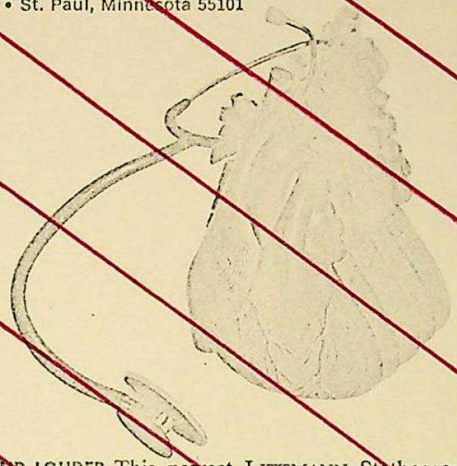
LITTMANN® MAGNASCOPE

MEDICAL PRODUCTS DIVISION • 3M COMPANY
3M Center • St. Paul, Minnesota 55101



BIGGER AND LOUDER. This newest LITTMANN Stethoscope increases the range and clarity of heart sounds through the larger-size chestpiece that features a nonchill bell and diaphragm. Precision engineered to LITTMANN standards. Constructed of durable stainless steel.

Other available models of LITTMANN Stethoscopes include the standard stainless steel featherweight, pediatric, gold-plated and diaphragm-type instruments.

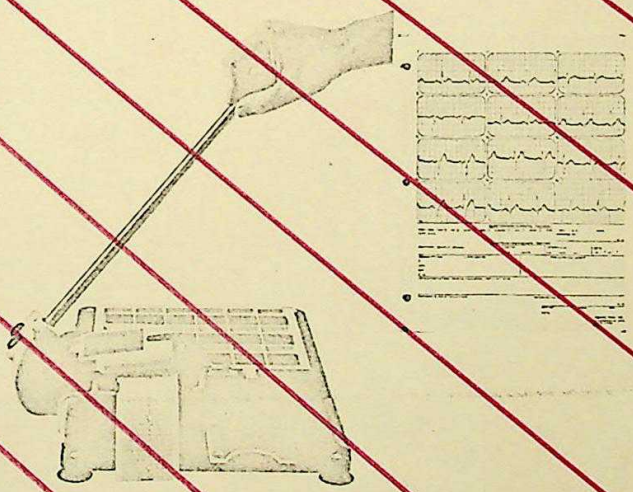
LITTMANN® ECG MOUNTING SYSTEM

MEDICAL PRODUCTS DIVISION • 3M COMPANY
3M Center • St. Paul, Minnesota 55101



SHIFTS ECG PROCESSING INTO HIGH GEAR. This complete and simple system consists of only two principal parts: (1) a mounter that cuts and positions up to 18 leads, (2) record forms with adhesive on which the leads are mounted.

You'll find the system compatible with procedures you're now using — with a speed-up of ECG interpretations and reports, an increase in processing capacity, a saving on filing space.
